

Vega 10 and 15 shown with adjustable legs.

Note: This drawing is of a Vega 10. The Vega 15 is nearly identical except it's slightly (2") wider and longer.
Key dimensions + or - 1/2".

Measured heights for all leg settings

Inner leg pin hole	Outer leg pin hole	Crush rollers in place	Crush rollers retracted	Infeed height
Lowest	Lower	30"	38"	65.75"
Middle	Lower	40"	48"	75.75"
Highest	Lower	50"	58"	85.75"
Lowest	Upper	—	—	—
Middle	Upper	35"	43"	70.75"
Highest	Upper	45"	53"	80.75"
Hole not used. Top of inner leg rests against pin.	Upper	56"	64"	91.75"

Destemmer can be positioned at 5" increments from lowest to highest fully pinned position.
